Sir,

In forwarding for favourable consideration the accompanying copy of letter No. 476/M.S. 297 dated 2-9-04 from Mr. R. R. Wale, Superintendent Medical Stores, I have the honor to state that my predecessor was strongly in favour of improving this officer's financial position.

His case runs essentially on the same lines as that of Mr. Appiah, the difference being that Mr. Appiah remains on the strength of the British Department while Mr. Wale retired in order to come to Mysore-which of course is no difference so far as the consideration of his application is concerned.

He is a good servant of Govt: & there is no ground that I can see for not treating him in the same liberal spirit that was shown in Mr. Appiah's case.

I have the honor to be

Sir,

I have the honour to forward for favourable consideration Copy of Letter No. 476/M.S.297 dated 2-9-04 from Mr. R. R. Vale, Superintendent Medical Stores requesting the sanction of increased pay &c

Medical Stores

No.476/M.S.297 dated 2-9-04 Bangalore 30th August 1904.

To

Lt. Col. J. Smyth M.D, I.M.S,

Senior Surgeon & Sany: Commissioner Mysore Govt

Bangalore.

Sir

I beg to respectfully lay the following before you for favourable consideration and submission to Government with your kind recommendation.

I was entertained permanently in the service of the Mysore Government on 1st January 1899 after having served three months on probation while on leave from the British Service.

I retired from the Military Service in order to take up the appointment of Superintendent of the Medical stores newly created on a salary of Rs. 150/- and free quarters with the reasonable prospect of advancement.

On the 18th March 1903, the late Senior Surgeon and Sanitary Commissioner submitted a proposal to Government re-organising the Medical Store Department and in that statement he recommended my salary to be increased to Rs. 200 rising to Rs. 300 by annual increments of Rs. 25.

Government in their Proceedings No.18283-4/G.O. 4-1893 dated 29-6-03 were pleased to sanction certain minor items together with an Accountant for the Medical Stores, but remained silent with reference to my increase.

May I here beg to be permitted to state, that had I remained in the Military Service, I should now be drawing Rs. 450/- per mensem with free quarters, as Honorary Captain and which my immediate Junior has been drawing for the past year and it was with the hope of securing an equivalent emolument later on and of remaining permanently in one station that I preferred to retire and enter the Mysore Service.

I may further beg to state that by my having accepted the post I in a measure accommodated the Mysore Government, as Plague had just then broken out and the existing Medical Staff was found insufficient to cope with the demand hence the new

appointment

appointment

This is now my sixth year of service with no increase of pay while all other Assistant Surgeons get their increments every three years- under the circumstances I beg that the Government be again urged with your strong support to sanction increased pay with increments as previously recommended.

I further beg that my name may be gazetted among those holding special appointments so as to give me a status as at present I hold no position though entrusted with thousands of rupees worth of Instruments and Drugs and privileged to communicate with Heads of Departments in cases of emergency.

In Madras the Medical Store Keeper is a Commissioned officer and in the Military I would be gazetted among the Honorary Commissioned Officers and entitled to all their privileges

I beg to remain &c.

/ Signed / R. R Wale
